ULTRA-SLIM DOUBLE ARM FLAT SCREEN WALL MOUNT WITH TILT & SWIVEL

Designed to mount large screens up to 65", this ultra-slim double arm wall mount features a tilting interface and three swivel points, allowing quick and easy repositioning of screens as required - whether folded flat to the wall at a depth of just 1.5" or at maximum extension. Coverplates to hide fixings and integrated cable management help make this a neat and tidy mounting solution which is ideal for commercial applications as well as home installations.

SPECIFICATION
